Viking Line Cargo information

A political strike in Finland on 14 - 16 February 2024

According to current information at hand, Viking Line's vessels will operate normally during this strike between 14 - 16 February 2024. However, cargo units without drivers are not handled in Helsinki or in Turku port – the strike is informed to end on Friday the 16th at 18:00 o'clock, allowing handling of freight units in Turku already in the evening.
