

1. Be on time, service lane shuts down latest 19:50, when Grace arrives in Turku.
2. *If you arrive late, drive to the truck check-in. Tell them who you are and what you are going to do onboard. They will guide you how to drive to the terminal. Now jump to nr.4*
3. Drive through the service gate located where all cars are loaded to the boat (across the railway crossing)
4. Drive along the service lane to the backdoor of the terminal building
5. Your visitor card is given to you by the security guard, behind the customs area (same place than before)
6. Unload your belongings to the trollies shown by the security guard (Entertainment Grace/Amorella). Please notice that you have to deliver back the trollies immediately to the same place in the terminal. It is strictly forbidden to leave the trollies on board, not even for one cruise
7. Security guard tells where you can leave your car. There is restricted amount of places, make sure you only arrive with one car/orchestra. These parking places are a lot closer than before. Let us make sure we have them in the future for our bands as well
8. In the terminal building take the elevator up to 4th floor, which is 7th deck on board. Please wait for approval from security guard before boarding the ship
9. Enter carefully, respecting our passengers, to your stage. Vogue – our night club you`ll find on 10th deck, as well Retro and Rock More bar
10. Unload the trollies and please return all trollies to the terminal immediately
11. Further instruction is given by the crew

Please contact our av-technician if you by any reason need to load from the car deck latest one week ahead. avtekniker.grace@vikingline.com
