4. Office hours for summer

1. Summer check-list

- ✓ It is extremely important for all cargo units to arrive at the port at least one hour before the ship's scheduled departure time.
- ✓ We kindly ask you to inform us of your vehicle's height, length and weight when booking a trip.
- ✓ Units with a width exceeding 2.60 m must be booked as overwide in advance.
- ✓ Please note that vehicle mirrors must, on request, be folded back on the car deck.
- ✓ All drivers, including second ones, must be booked in advance.

2. Overwide vehicles at Helsinki harbour

Freight check-in has moved to a new location at Katajanokka harbour. You'll find us on the port area and way in is through gate B.

The new gate B will be narrower than before. Therefore we kindly ask the drivers of overwide vehicles to contact forwarding to arrange entrance via A-gate.

3. The Viking Line port in Turku will be closed on 7 July at 9-12 am

Due to Finnish Navy's 100 Jubileum there won't be any entrance to Viking Line port in Turku on 7 July at 9-12 am.
