#### Viking Line Viking XPRS timetable changes the 12<sup>th</sup> of February

Having received timetable change requests from different customer groups, Viking Line will change departures of Viking XPRS one hour earlier.

Though the change is marginal, connections to different cities will be even smoother in the future, both in Helsinki and in Tallinn.

**Viking XPRS will start travelling between Helsinki and Tallinn according to the new timetable on 12 February.** The same timetable will be in use every day of the week until the 15<sup>th</sup> of June.
