

TRAFFIC INFORMATION

Dear freight customer,

We informed you last week that on our **Turku-Åland-Stockholm** - route, the M/S Viking Grace -vessel will be out of traffic for few days due to a planned autumn service. We have now found a possibility to have another of our vessels – M/S Mariella – in traffic instead of Grace.

This allows us to operate and serve our customers with almost unchanged timetable. The only departure which we are forced to cancel is the morning departure at 07.45 am from Stockholm on Thursday the 10th of September 2020 – otherwise all the normal departure times will be operated normally. Please note that our vessels call in Åland Island during 8-11 September the port of Långnäs.
