

Change in personnel

Viking Line Cargo's sales manager Mr. Tony Ehres has decided to resign from his current position within the Viking Line company.

We are very sad to see Mr. Ehres to leave the company. We wish him all the best in the future and thank him greatly for the work and the effort which he has contributed for the best of the Viking Line's Cargo business.

Our sales personnel, (Mr. Kai Mäkinen, Mr. Risto Manninen and Mr. Jan Jammer) will be taking over the Cargo sales responsibilities of Mr. Ehres. The hand-over of the responsibilities will take place during the month of October and during this time, every Viking Lines Cargo client getting a new Cargo contact person will be contacted separately.

We will do everything we can to make this change in sales contact as smooth as possible. We hope for the understanding and cooperation even in the future.

Stay safe!

Viking Line Cargo regards,

Harri Tamminen
Vice president, Freight
