

## Viking Line Cargo information

### Viking Line Cargo is recruiting

Viking Line has started a recruitment process in order to strengthen the Cargo's organization. This is needed to secure and to improve the competitiveness of the Viking Line Cargo product for the future challenges. Viking Line Cargo is therefore looking for a new Sales Manager to our team. More information about the recruitment can be found on company homepage (only available in Finnish or Swedish): <https://www.vikingline.com/sv/sok-jobb/jobba-iland/finland-aland/>

### Changes in Cargo organization

We are pleased to announce Mr. Kai Mäkinen has been promoted to take the responsibilities of the sales within Viking Line Cargo organization. His new position, Head of Cargo Sales, is effective as of 1<sup>st</sup> of March 2021.

Kai has been with Viking Line Cargo since October 2019, during which time he has held a position in sales as part of the company's sales staff for Cargo services.

Kai's wide background in international transport and logistics, now combined with the know-how gained from the time with Viking Line, gives him an overall understanding of how to manage and improve the current Viking Line Cargo sales better to meet the future challenging facing the international transport market.
