

## Viking Line Cargo information

### RE-START OF HELSINKI-STOCKHOLM -ROUTE

We are planning to resume our traffic on Helsinki-Stockholm -route on Tuesday the 4<sup>th</sup> of June 2021 at 17.15 local time with MS Gabriella. The first departure from Stockholm is on Wednesday the 5<sup>th</sup> of June at 16.30 local time. We will initially operate the route only with one vessel, offering every other day service.

Timetable for Helsinki-Stockholm from 4<sup>th</sup> of June:

#### Helsinki - Mariehamn - Stockholm

Helsinki	Mariehamn	Stockholm
17.15	04.25	10.00

#### Stockholm - Mariehamn - Helsinki

Stockholm	Mariehamn	Helsinki
16.30	23.40	10.10

Meanwhile, we will be closely following the development of the pandemic and travel restrictions in the Nordic countries. Our aim is to add our second vessel in traffic on the 1<sup>st</sup> of July 2021, hoping by then to have less travel restrictions limiting and regulating the leisure travel between Finland and Sweden. Kindly note, that the route's timetable and sailings will be affected by the earlier scheduled special cruises in the summer.

We will keep you informed in any changes on our planning of the re-start of the traffic between Helsinki and Stockholm without a delay.

The new pricing structure and terms for the Helsinki-Stockholm -route will be discussed separately with all companies interested of this service.
