Port of Stockholm introduces a new fee

The port authority in Stockholm has informed Viking Line on a new additional fee called "quay storage" for freight units parked in the port area. The new fee will be taken into use on the 1st of January 2022. For more information visit the homepage of Port of Stockholm for more details:

<https://www.portsofstockholm.com/siteassets/prislistor/2022/sh-prices-and-terms-2022-version-2022-01-01.pdf> (see page nr 10 "QUAY STORAGE")

	0-72 hours	Max 96 hours	96 hours or more* ¹
0-6 metres	No charge	SEK 70,00 per unit and day	SEK 100,00 per unit and day
6-15 metres	No charge	SEK 140,00 per unit and day	SEK 200,00 per unit and day
15 - metres	No charge	SEK 280,00 per unit and day	SEK 400,00 per unit and day

KINDLY NOTE, that the port area which Viking Lines operates in Stockholm (Stadsgården) has extremely limited space available for loading and unloading the vessels. Therefore, Viking Lines current deadlines for picking up the units at the after arrivals as well as for delivering the units for the departures are unchanged and need to be respected even in 2022.
