

## Change in personnel

Viking Line Cargo's Head of Sales, Mr. Kai Mäkinen has decided to resign from his current position within the Viking Line. We wish him all the best in the future and thank him greatly for the work and the effort which he has contributed for the best of the Viking Line's Cargo business.

Our sales manager, Mr. Timo Jaakkola will be taking a wider responsibility of the Cargo sales in Viking Line and initially taking over Kai's sales contacts. The hand-over will take place during the month of April.

We simultaneously have started two recruitment processes on further strengthening the Cargo organization. Our aim is to hire a new sales manager as well as a new sales support for the Cargo organization during the next upcoming months.

We will do everything we can to make these changes in sales contacts as smooth as possible for our clients.

Viking Line Cargo regards,

Harri Tamminen  
Vice president, Freight
