Every other day departure on Helsinki-Mariehamn-Stockholm-route

Viking Line has, as a part of company's long-term planning in the renewal of company's fleet, sold the vessel ms Amorella which currently operates on the Helsinki-Mariehamn-Stockholm -route. Therefore, Viking Line is as of the 18th of September 2022 only able to offer every other day service when operating only with ms Gabriella.

The traffic on Turku-Aland Island-Stockholm -route will be unchanged and operated with two vessels, offering two daily departures on each direction – one in the morning and one in the evening.
